

REMARKS

Applicant respectfully requests consideration and entry of the present amendment. Claims 74-84 are pending and allowed in the above-identified patent application. Applicant has amended the specification and drawing. No new matter is added by the amendments herein.

Amendment to the Specification and Drawing

Applicant has requested that the Examiner accept the proposed amended drawing, which consists of amending FIG. 13 to add labels 425A, 425B to identify the “associated tabs” as recited in claim 76. Applicant has also amended the specification to be consistent with the drawing amendment.

Conclusion

In view of the foregoing, Applicant submits that the instant claims are in condition for allowance. Early and favorable action is earnestly solicited. In the event there are any additional fees due and owing (or refundable) in connection with this matter, please charge same to our Deposit Account No. 11-0223.
